RED CROSS INSTALLS EMERGENT CUPBOARDS

Invalids will be able to leave home—temporary cripples will be able to walk—sick people will have bedroom comforts—when the British Columbia Branches of the Canadian Red Cross Society establish their loan cupboards.

This new peacetime project of the Red Cross in this province is a development of the Department of Home Nursing, under Lucille de Satge, R.N., and is designed to provide necessary invalid and sick-room equipment on loan to those who need it. This community service is given in co-operation with doctors, nurses, clergy or public health administrators, who make request for such equipment to the Red Cross Branch.

The first loan cupboard, a model for those to be established throughout the province, was displayed at the recent Red Cross conference in Vancouver in order that delegates from outside branches might see the form of this project. Equipped with Gatch bed, wheel chair, bed table, crutches, backrest, and all sorts of sick-room supplies, it will solve emergency needs in many homes. Supplies will be purchased by the branch and will be kept in

Quiz ... FOR CANADIANS

Every Canadian today is asking himself this question:
"How much more will it cost me to live tomorrow?"

The answer depends on us... Living costs should not increase...

IF—we all keep on resisting the temptation to try to get more than our fair share of available goods.

IF—we continue to restrict our purchases to what we really need.

IF—we keep on producing as much as we can at as low a price as we can.

IF—we continue to support to the full our Government's wise measures of control.

IF—we continue to walk the middle road, the road of moderation in all things—in our thinking, in our actions and in our pleasures.

IF—as The House of Seagram has always suggested, we continue to think of tomorrow and practice moderation today!

THE HOUSE OF SEAGRAM

Alex Sahonovich returned during the week after two weeks' business trip throughout Cariboo.

George Johnston, of Johnston Bros. Garage left last week to spend a month's holiday at the Coast.

Although the spring break-up is not yet with us, some of the roads in the immediate district are getting in bad condition. This is particularly true of the roads being used by the heavy logging trucks, which have been having trouble due to icy road surfaces.

Keith Smith left during the week for Calgary, where he will get his discharge from the Canadian Army. We believe Keith is the last of the local boys to be demobbed.

Bill Morris has taken over management of the Quesnel Light & Water Co. W. Fawcett, former manager, is now in charge of the local power plant for the B.C. Power Commission.

WONG CHOW LAID TO REST
Many old time friends attended funeral services held at the United Church Wednesday for Wong Chow, one of Quesnel's pioneer Chinese merchants. Rev. J. H. Hobbins conducted the service.

Palbearers, who were all old friends of the deceased, were Chew Sing, Jos. Hoy, Willie Fun, Harry Chow, T. M. Owens and C. S. Foy. Burial took place in the local cemetery.

WOLF BOUNTY UP

According to a recent release by the Provincial Game Commission, the bounty on wolves will be upped by \$5.00—from \$15.00 to \$20.00. This is good news, and should help somewhat to keep these predators under control.

Reports from the outlying districts in recent months indicate that there are many roving wolf packs in Cariboo at the present time, and farmers stock and game are taking a beating.

ELKS PURCHASE PROPERTY

Quesnel Lodge No. 298, B.P.O. Elks have purchased two lots fronting on Barlow Avenue, and which were formerly the old tennis court. It is planned to build an Elk's Hall, which will include a lodge room, and club room containing card and snooker tables. Plans for the proposed building are now being prepared.

CARD OF THANKS

Mrs. J. W. Corlett and family wish to express their sincere appreciation for the many acts of kindness extended them during the illness and following the death of a loving husband and father.

CARD OF THANKS

I wish to thank the many friends for the kindness extended during the illness, and for the floral tributes and messages of sympathy following the death of my father, Wong Chow.

BUSINESS MEN PLAN FOR LOCAL ROTARY CLUB

At a meeting held in the Quesnel Cafe Wednesday, a number of local business men discussed the possibility of forming a Rotary Club in Quesnel. Jas. R. Kinley, who had studied the aims and objectives of the Rotary movement, explained its purposes to the gathering.

Several present, who had attended Rotary meetings in other cities and towns, spoke enthusiastically of the idea, while others questioned whether or not there were sufficient business men in Quesnel to maintain a branch of the Rotary organization here. After considerable further discussion, S. Dowling was named to interview a selected list of business men to ascertain whether the Club could be successfully supported. He will report at a further meeting to be held in about two weeks.

NOTICE

TAKE NOTICE that John Harvey, formerly a partner in Cariboo Transportation Company, is now sole owner of the business, and in future will alone be responsible for carrying on business in the Company's name.
