HIGH SCHOOL HOOP SQUADS BRING YEAR TO SUCCESSFUL END

Quesnel High School hoop squads wound up their playing season with three games in Pr. George on Friday night and Saturday morning last. The local girls took a bad trimming Friday night, when the score was 35-17 for Pr. George. However, in the second game on Saturday morning the local lassies got away to a good start and were too much for their opponents, final score being 34-24. Both girls' encounters were rough, with referees handing out many penalties on both sides.

Unfortunately the Quesnel boys were no match for their northern neighbors. Their game, played on Friday night, ended 28-8 for the Prince George squad.

The girls' team was: Starr Hoy, Pat Johnston, Mona Hoy, Kate Moxley, Geraldine Wade, Mavis Williams and Lily Thompson. Pat Johnston and Starr Hoy were the high scorers.

The boys' team was: Glen Nadreau, Jimmie Moore, Ronnie Madison, Derek Rolph, Don Wilkie and Billy Noble.

During the Easter holiday both teams made the trip to Wells where a basketball tournament was held. The Quesnel girls went all out, defeating Wells 21-19 in a close game, and Prince George 21-9 in a rather one-sided fixture. The boys played one game with Wells, losing 21-9.

The girls ended the season on top of the heap, defeating Prince George two games out of three, and Wells in their lone encounter.

Both boys and girls teams were coached by Bill Ablett, who escorted the players on both trips.

The Quesnel Student's Council takes this opportunity of thanking all those who so kindly offered to drive the players to Wells and Prince George for these games.

Main roads throughout Cariboo are now in pretty good shape, but side roads are still too soft for general traffic.

On Target for '47

STAND back—take it all in—and make sure you don't miss a thing. For what we've pictured for you here is the whole Highway Hit Parade of 1947—wrapped up in one glamorous bundle.

Those long, flowing, follow-through fenders—there's a style note you'll see echoed in automotive fashions for a long time to come. That generous beam amidships—there's the drivingroom you've been seeking, with legroom, headroom, elbowroom all around.

That broad, deep bonnet spells power aplenty—eager, lively Fireball power from an engine that seems to stay forever young. That hug-the-road look means steadiness; coil springs on all four wheels spell matchless, floating ride; wide-swinging doors open on interiors both handy and handsome in arrangement.

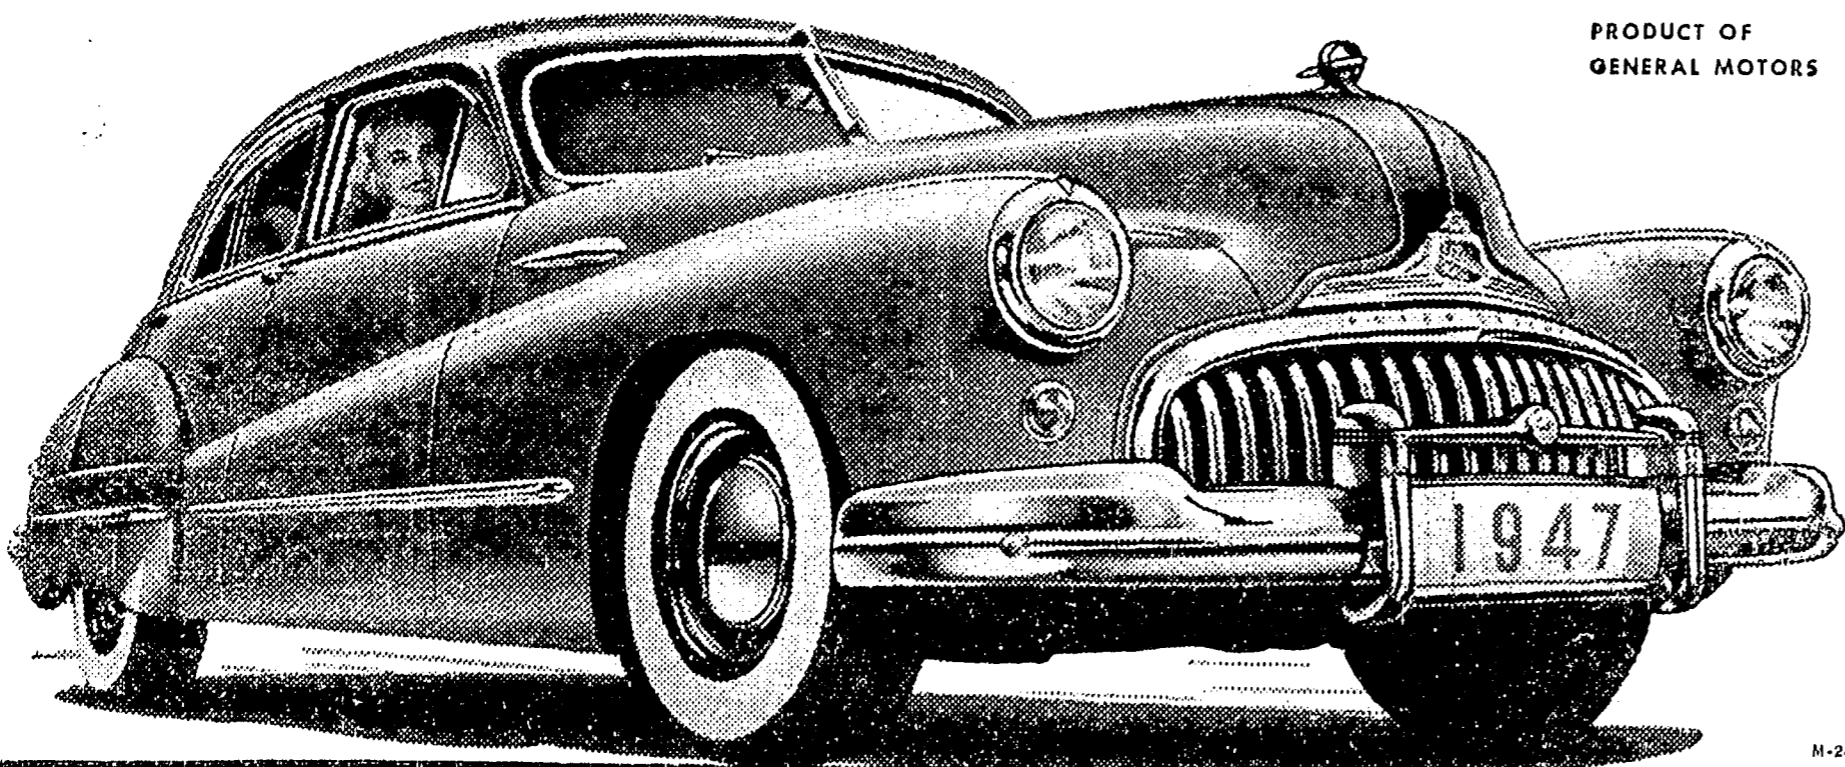

In a word—here's a car squarely on target, whether you go for style or size, performance or value. Here's Canada's most wanted car—and easily Canada's most sought-after buy.

The demand for new cars is still so great that it may be some time before you take the wheel of your new Buick. Make sure your present car keeps rolling. The better its condition, the safer you are . . . and the higher its potential trade-in value.

Personal Items

Geoy Smith is improving in the local hospital.

W. Fun of the Nugget Hotel and young son Gerold, accompanied by W. Wong, are on a holiday trip to the Okanagan and Vancouver.

Oking to a recent serious illness W. Bradshaw, for many years a member of the local Government Office staff, has retired on pension. Mr. and Mrs. Bradshaw and family will move from town to their farm at Six Mile Lake in the near future.

Tom Windt is now able to hobble about again, recovering from a fractured bone in his foot suffered when his tractor rolled over it.

"Sergt." Ernie Buck, who has been a patient in the hospital for the past six weeks, was able to make a trip down town during the week under his own power. You can't keep a good man down.

The Travellers Rest, formerly the Hudson Bay Company factory's house, has been brightened up with a coat of paint. Roof and gables were painted green with white trim, while the old logs got a coat of brown stain. Very attractive.
