 A MESSAGE TO THE PEOPLE OF BRITISH COLUMBIA—  
 To pay for the cost of protecting our forest resources from fire, a fund has been established, known as the Forest Protection Fund, to which owners of forest land and the Provincial Government Treasury contribute. During the fiscal year ending March 31, 1946, the Government contribution was \$650,000. In the fiscal year ending March 31, 1947, the Government contribution to this fund was \$1,000,000, and in 1947-48 it will be \$1,250,000. The protection of our forest stands and essential industries they support is essential to the continuing prosperity of our Province.
